How we will calculate your balance: We use a method called "average daily balance (including new purchases, balance transfers and cash advances)".

Calculating Average Daily Balance – Purchase Balance and Balance Transfers. You will have a grace period during which we will not impose an interest charge on Purchases and Balance Transfers if you pay in full your New Balance by the Payment Due Date shown on the billing statement each month. Otherwise, we will impose a periodic interest charge on the average daily balance of Purchases and Balance Transfers. To determine this average daily balance, we (a) start with the previous Purchase and Balance Transfer balances at the beginning of each new billing cycle and subtract any unpaid interest charge and unpaid fees which were included in those balances; (b) determine the Purchase and Balance Transfer balances for each day of the billing cycle by subtracting any payments and credits applied to the Purchase and Balance Transfer balances and by adding new Purchases and Balance Transfers; and (c) at the end of the billing cycle, add these daily balances and divide the total by the number of days in the billing cycle to determine the average daily balance for Purchases and Balance Transfers. We then multiply this average daily balance by the monthly periodic rate that applies to Purchases and Balance Transfers to determine the amount of your periodic interest charge on Purchases and Balance Transfers.

Calculating Average Daily Balance – Cash Advance Balance. There is no grace period for Cash Advances. We will impose a periodic interest charge on the average daily balance of Cash Advances. To determine this average daily balance, we (a) start with the previous Cash Advance balance at the beginning of each new billing cycle and subtract any unpaid interest charge and unpaid fees which were included in that balance; (b) determine the Cash Advance balance for each day of the monthly billing cycle by subtracting payments and credits applied to the Cash Advance balance and adding new Cash Advances; and (c) at the end of the billing cycle, add these daily balances and divide the total by the number of days in the billing cycle to determine the average daily balance for Cash Advances. We then multiply this average daily balance by the monthly periodic rate that applies to Cash Advances. The result is your periodic interest charge on Cash Advances.

Agreement and Definitions. This Cardholder Agreement, the folder containing your card including the Account Opening Disclosure Table on the back of the folder, changes and notices of changes we make to your account and/or this agreement as provided herein, the Visa Signature Guidelines included on your application and published and periodically updated at www.firsttennessee.com, and all documents bearing your hand-written, electronic or digital signature (such as, but not limited to, any application, convenience check or sales slip) or other evidence of indebtedness on the credit card account constitute the contract governing your credit card account (the "Agreement"). The words "you" and "your" refer to each person jointly and severally (if more than one) who has applied for or otherwise agreed to be responsible for the account. The words "we," "our," and "us" mean First Tennessee Bank National Association (which also is branded as "First Horizon"), and its successors, assigns, agents and/or authorized representatives. The word "card" means each Visa Signature card issued on the account. The card is our property, and you agree to surrender it to us or our agent upon request. This Agreement is binding on you unless you cancel your account within 30 days after receiving the card and you have not used or authorized use of your account. This card is available only to individuals for consumer use and will not be issued to sole proprietorships, corporations, partnerships or limited liability companies.

Changes In Terms. You consent and agree that at any time we may add, delete, remove, amend, or change any terms and conditions of this Agreement, including but not limited to the Annual Percentage Rate (APR), fees or other terms. Such amendments may apply to the unpaid balance and to new transactions, as allowed by applicable law. Reasons we may change the terms and conditions of this Agreement include, but are not limited to, risks associated with your account, economic and market conditions and trends, product parameters, and our business needs and considerations. If we make such amendments, you will receive advance notice and a right to opt out, as may be required by the Agreement and applicable law.

Using Your Account. In addition to the card, we may furnish you checks which can be used to access your account. You agree to use checks only in the form we furnish and according to any instructions we give you. You cannot stop payment on checks used to access the account. You may use your account to purchase goods and services and to get Cash Advances.

Cash Advances include cash obtained from participating financial institutions and ATMs, transactions using checks to access your account, and cash-equivalent transactions (including purchases of travelers' checks, casino chips and other items which Visa rules, as applicable, designate as cash or cash-equivalent transactions). The amount of a Cash Advance obtained from an ATM may include a surcharge imposed by the ATM owner.

Purchases are transactions initiated with the card or account for the purchase of goods or services from participating merchants (excluding cash-equivalent transactions) and such other charges we designate as Purchases.

Only a payment made by us, at your request via our customer service center or our website, to transfer all or part of your balance with another creditor to your account with us will be considered and treated as a Balance Transfer under this Agreement. Your use of a check used to access your account for any purpose is not considered a Balance Transfer under this Agreement.

Standard (Variable) Rates. Except as otherwise stated in this "Standard (Variable) Rates" provision or upon amendment of this Agreement, the monthly periodic rates and corresponding APRs used to compute the periodic interest

charges on your account will be variable rates which may increase or decrease for each new billing cycle based on changes in the U.S. Prime Rate published in The Wall Street Journal ("Prime"). Your corresponding APRs, divided by 12 and truncated to the next one-thousandth percentage point will be your monthly periodic rates. Your rates will not exceed the maximum we are allowed to charge under applicable law. We will use the value of Prime published on the last business day of each calendar month (the Determination Date) in order to calculate your APRs in effect from the first day through the last day of your billing cycle ending in the calendar month following the Determination Date. If more than one Prime rate is published on the Determination Date, we will use the highest. An increase in your rates will increase your interest charges and may increase your minimum monthly payment.

Your APRs on Purchases, Balance Transfers and Cash Advances will equal the sum of Prime plus a margin ("Margin"). Margin means the percentage points added to the Prime Rate to calculate the APR. Your Margins, corresponding APRs and monthly periodic rates for Purchases, Balance Transfers and Cash Advances are shown on the enclosed folder containing your card which includes the Account Opening Disclosure Table on the back of the folder.

Promise to Pay. You promise to pay us, in accordance with the terms of this Agreement, for all transactions on your account, plus all interest, finance charges and other charges, fees and expenses incurred on or in connection with the account. You will be individually and, if applicable, jointly and severally liable for the total balance, whether the charges are made by you or by a person authorized by you in any way to use your account in any way. You cannot transfer or assign the account to another person.

Credit Limit. Your initial credit limit appears on the folder containing your card. We may increase or decrease your credit limit at any time. Each of your billing statements will reflect your credit limit in effect as of the date of the statement. You agree not to conduct any transaction that would cause the total balance of your account to exceed your credit limit. We may honor, at our discretion, transactions which exceed your credit limit. You agree to pay any amount that exceeds your credit limit immediately upon request. Without additional notice we may limit the number or dollar amount of account transactions, and/or authorizations for transactions, within your credit limit for security or other reasons.

Billing Statements. We will send or make available a billing statement for each monthly billing cycle for which a Purchase, Balance Transfer or Cash Advance is posted to your account or if there is a debit or credit balance of more than \$1.00. The statement will reflect each Purchase, Balance Transfer or Cash Advance transaction posted to your account, your New Balance, Payment Due Date, Minimum Payment Due, Interest Charges, Fees and other important information. Unless you notify us of any alleged errors in accordance with the Billing Rights Notice in this Agreement, we may consider the statement correct for all purposes.

Making Payments:

Effects of Making Minimum Payments. If you make only the minimum payment each billing period, you will pay more in interest and it will take you longer to pay off your balance.

Application of Payments. We will determine, at our discretion, the amount of and order in which minimum payments will be applied to Purchases, Balance Transfers, Cash Advances, Interest, Finance Charges and other fees and charges. If your account has balances with different APRs, we will allocate your minimum payments to balances subject to lower APRs before balances subject to higher

APRs. If you make more than the minimum payment, we will allocate amounts in excess of the minimum payment to balances subject to higher APRs before balances subject to lower APRs, even if, as required by applicable law, this allocation results in a loss of any Grace Period for which you may otherwise have been eligible. This payment allocation method applies to all higher APR balances, including transactions subject to higher APRs posted since your last statement.

New Balance. The details and amount of your New Balance for each monthly billing cycle will appear on your billing statement in the Summary of Account Activity section.

Minimum Payment Calculation. You may pay all or part of your balance at any time, but each month you must pay at least the Minimum Payment Due shown on the billing statement. If your New Balance is \$25.00 or less, the Minimum Payment Due will be the New Balance in full. Otherwise, the Minimum Payment Due will be the total of (1) the greatest of (a) 2.5% of your New Balance, (b) 1% of your New Balance, plus interest charges assessed in the current billing cycle, (c) any over limit amount in the current cycle, or (d) \$25.00; plus (2) net fees (excluding Cash Advance and Currency Conversion Fees) in excess of \$0 assessed in the current billing cycle; plus (3) all amounts past due.

Form of Payments. Do not send cash by mail. If you pay by check or money order, the check or money order must be in U.S. Dollars drawn on funds on deposit in a federally-insured U.S. depository institution. However, we may, at our option, accept checks or money orders drawn on non-U.S. banks and impose service and collection charges on your account for processing such items. When you send a personal check to the BankCard Center, we may initiate an electronic debit for the amount of your check to your account at the financial institution on which the check was written. Your payment will appear as an electronic debit on the statement for the account from which you made payment and will include the name of the payee "BankCard Center", the check number and the payment amount. We can (but are not required to) accept late payments, partial payments, payments marked or accompanied by "payment in full" or similar language, or payments which are otherwise improper without losing any of our rights under this Agreement, including our right to require payment of the entire balance.

Payment Processing. Payments accompanied by the payment coupon are proper payments. Payments not accompanied by the payment coupon MUST include the current account number and other information as needed to identify the appropriate account in order to be proper payments. Proper payments will be applied to your account as of the date received if received Monday-Friday, excluding federal holidays, by the times shown below:

- Payments received at BankCard Center, P.O. Box 385, Memphis, TN 38101-0385 by 5:00 p.m. CT
- Payments delivered in person to and processed by an employee at a First Tennessee financial center, or other First Tennessee location that accepts such payments, by close of business at that location
- Payments made via First Tennessee's Banking Online website by 8:00 p.m. CT

Proper payments received on a day that First Tennessee does not process payments or later than the times shown above will be applied the next business day. Any other payment may not be applied until 5 days after receipt.

Visa Money Transfer. You have the ability to receive a credit transfer to your credit card via a Visa Money Transfer under which you or a third party may transfer funds to you. Funds will appear on the statement as a "Visa Transfer", but funds

will be treated as a non-proper payment to your account within 2 business days of receipt. We have the right to refuse/return a transfer restricted/prohibited by applicable federal, state or local law or by this Agreement.

Finance Charges.

Interest Charges. We will impose periodic interest charges based on the monthly periodic rates that apply to Purchase, Balance Transfer and Cash Advance average daily balances. Periodic interest charges will begin to accrue on all average daily balances from the date that transactions are posted to your account, except for Purchase transactions that may be eligible for a grace period (see Paying Interest section of this Agreement).

If the periodic interest charge calculated for a billing cycle in the manner described in the Calculating Average Daily Balances section is less than \$.50 but more than \$.00, we will impose a \$.50 minimum charge (in addition to any applicable Cash Advance Fee(s)). The amount of interest charged will be shown on your billing statement in the Interest Charged section; except that, when imposed, the minimum charge will appear in the Fees Charged section of your statement.

Foreign Currency Transactions. If a transaction on the account is in a currency other than U.S. Dollars, Visa will convert the amount of the transaction (whether a purchase, cash advance or credit) to U.S. Dollars as provided by Visa rules then in effect. Currently, Visa rules provide that the exchange rate between the transaction currency and the billing currency used for processing international transactions will be a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date (which rate may vary from the rate Visa itself receives) or the government mandated rate in effect for the applicable central processing date. You agree to accept the converted amount. We will not charge a currency conversion fee to Visa Signature accounts.

Paying Interest:

Grace Period for Purchases. You will have a grace period during which we will not impose an interest charge on Purchases if you pay your New Balance by the Payment Due Date shown on the billing statement each month. Otherwise, we will impose a periodic interest charge on the average daily balance of Purchases.

Grace Period for Balance Transfers. You will have a grace period during which we will not impose an interest charge on Balance Transfers if you pay your New Balance by the Payment Due Date shown on the billing statement each month. Otherwise, we will impose a periodic interest charge on the average daily balance of Balance Transfers.

Cash Advances. There is no grace period for Cash Advances. We will impose a periodic interest charge on the average daily balance of Cash Advances.

Calculating Average Daily Balance:

Purchase Balance. To determine this average daily balance, we (a) start with the previous Purchase balance at the beginning of each new billing cycle and subtract any unpaid interest charge and unpaid fees which were included in that balance; (b) determine the Purchase balance for each day of the billing cycle by subtracting any payments and credits applied to the Purchase balance and by adding new Purchases; and (c) at the end of the billing cycle, add these daily balances and divide the total by the number of days in the billing cycle to determine the average daily balance for Purchases. We then multiply this average daily balance by the monthly periodic rate that applies to Purchases to determine the amount of your periodic interest charge on Purchases.

Balance Transfer Balance. To determine this average daily balance, we (a) start with the previous Balance Transfer balance at the beginning of each new billing cycle and subtract any unpaid interest charge and unpaid fees which were included in that balance; (b) determine the Balance Transfer balance for each day of the billing cycle by subtracting any payments and credits applied to the Balance Transfer balance and by adding new Balance Transfers; and (c) at the end of the billing cycle, add these daily balances and divide the total by the number of days in the billing cycle to determine the average daily balance for Balance Transfers. We then multiply this average daily balance by the monthly periodic rate that applies to Balance Transfers to determine the amount of your periodic interest charge on Balance Transfers.

Cash Advance Balance. To determine this average daily balance, we (a) start with the previous Cash Advance balance at the beginning of each new billing cycle and subtract any unpaid interest charge and unpaid fees which were included in that balance; (b) determine the Cash Advance balance for each day of the monthly billing cycle by subtracting payments and credits applied to the Cash Advance balance and adding new Cash Advances; and (c) at the end of the billing cycle, add these daily balances and divide the total by the number of days in the billing cycle to determine the average daily balance for Cash Advances. We then multiply this average daily balance by the monthly periodic rate that applies to Cash Advances to determine the amount of your periodic interest charge on Cash Advances.

You should retain your copy of the credit slip prepared by the merchant. If the merchant discloses a policy limiting or disallowing refunds, you will be bound by it. If you make travel or lodging or other reservations, you will be bound by the merchant's cancellation policy, and you must obtain a cancellation code from the merchant to avoid or limit any charges in accordance with that policy. If you give a merchant continuing authority to charge your account for repeat charges, you must notify the merchant when you wish to revoke that authorization. VISA SIGNATURE POINTS PROGRAM

Awarding Points. On each monthly billing cycle closing date we will award two points to your Visa Signature points account for each net dollar in new purchases at merchants classified by Visa as a service station, automated fuel dispenser or restaurant and one point to your Visa Signature points account for each net dollar in new purchases at other merchants posted to your Visa Signature card account during that monthly billing period. However, we reserve the right NOT to award points or allow redemption of points if you are in default under any of the terms of this Agreement or if we have terminated or suspended your credit privileges in accordance with this Agreement or applicable law. Cash Advances, Balance Transfers, convenience checks, debit transactions initiated by us, finance charges and fees charged to your account are not eligible for points. Our failure to enforce these conditions at any time and for any period of time will not waive our right to enforce them at a later time nor require further notice to you before we enforce them. We will subtract one point from your account for each dollar in returned purchase credits. Points may be accumulated from month to month and year to year, for three years. Unless redeemed, points will expire and be forfeited on the third anniversary of the last day of the calendar year in which awarded. For example, points awarded in January 2015, if not redeemed, will expire and be forfeited on December 31, 2018. If you close your Visa Signature card account, or if we terminate or suspend your credit privileges in accordance with this Agreement or applicable law, then all accumulated points not yet redeemed will be forfeited.

Redeeming Points. We contract with an agency to provide Visa Signature services. You authorize us to share information concerning your account with the agency, its employees and representatives (collectively, the "Agency"), including but not limited to any and all information reflected on your Visa Signature card account statement and recent transactions on your Visa Signature card account. This information is shared in accordance with our Privacy Notice in this Agreement. The Agency will charge you fees (for which we will not reimburse you) for transactions that you conduct through the Agency, whether or not you are redeeming Visa Signature points. You may not use Visa Signature points to pay the Agency's fees. In order to redeem points, your Visa Signature card account must be open, active and not in default status according to the terms of this Agreement. In addition, you must have the minimum number of points required for redemption as published in the Visa Signature guidelines on our website at www.firsttennessee.com. Our failure to enforce these conditions at any time and for any period of time will not waive our right to enforce them at a later time nor require further notice to you before we enforce them. Subject to those conditions, you may redeem your points by calling the Visa Signature Service Center at 1-888-216-2896. A Visa Signature specialist will verify your available points and eligibility to redeem points in the requested amount. Points may be redeemed according to the Visa Signature Point Redemption Terms published in the current Visa Signature guidelines. Visa Signature points may be redeemed only through the Agency designated by us. Visa Signature points have no cash value. They are not redeemable for cash, cannot be bought or sold, nor can they be used as payment for any obligation you owe to us.

Provision of Travel Services. The Agency will provide travel agency services directly to Visa Signature cardholders. Those services include describing the flights available for the amount of points you are redeeming, assisting in ticket selection, making reservations for available flights offered by participating airlines, and issuing and delivering tickets you have purchased. The Agency will report to us the points you have redeemed, and we will subtract them from your Visa Signature points balance. We disclaim any responsibility in the provision of services by the Agency, or for services provided by the airline you have selected. Our only responsibility in this regard is to provide correct information to the Agency concerning your Visa Signature points balance and credit card account. If you have obtained any travel services by redeeming travel points exceeding your available point balance, no matter the cause, we will charge the equivalent dollar value of the over-redeemed points to your Visa Signature card account as a purchase.

Program Restrictions and Other Considerations. Certain restrictions and additional terms apply to your Visa Signature Points Program. You should refer to the Visa Signature Guidelines at www.firsttennessee.com for the current program restrictions and terms. Topics addressed in the Visa Signature Guidelines include: Point Redemption Terms, Points, Redemptions, Tickets and Fees. All travel services are subject to availability; you may not be able to obtain travel services for all destinations or flights.

Termination and Modification. We may terminate or modify the Visa Signature Points Program at any time without cause, without notice and without affecting your privileges to use your credit card account for Purchases, Balance Transfers or Cash Advances under this Agreement. By accumulating Points, you do not acquire any vested right with respect to such points or other program benefits; and you may not rely upon the continued effectiveness or availability of any previously published, or otherwise communicated, redemption terms. We may cancel or change program benefits, redemption levels, conditions for your participation in the program, and rules for earning, redeeming or forfeiting Points at any time, even though such changes may prevent your use of the Points you have accumulated.

ARBITRATION PROVISION

ARBITRATION: PLEASE READ THE FOLLOWING ARBITRATION PROVISION CAREFULLY. IT PROVIDES FOR MANDATORY ARBITRATION OF CONSUMER CLAIMS (SUBJECT TO SOME EXCEPTIONS), INSTEAD OF COURT PROCEEDINGS. IF YOU OR WE ELECT ARBITRATION OF A CLAIM, NEITHER WILL HAVE THE RIGHT TO PURSUE THAT CLAIM BEFORE A JUDGE OR JURY IN COURT OR TO PARTICIPATE IN A CLASS ACTION PROCEEDING. RIGHTS YOU WOULD HAVE IN COURT THAT MAY BE LIMITED OR UNAVAILABLE IN ARBITRATION INCLUDE THE RIGHT TO CONDUCT DISCOVERY OR TO APPEAL. FEES AND EXPENSES OF ARBITRATION MAY BE HIGHER THAN THOSE ASSOCIATED WITH COURT PROCEEDINGS. THE ARBITRATOR'S DECISION WILL BE BINDING, EXCEPT AS PROVIDED BELOW.

Agreement to Arbitrate. Upon the election of either you or us, any Claims (as defined below), except for Claims filed in a small claims court, may be resolved by mandatory, binding arbitration. The small claims court exclusion applies only so long as the dispute remains in the small claims court and is an individual (non-class, non-representative) Claim. If a Claim asserted in small claims court is transferred or appealed to a different court, either you or we may then elect mandatory, binding arbitration pursuant to this Arbitration Provision. This Arbitration Provision is made pursuant to a transaction involving interstate

commerce and shall be governed by and enforceable under the Federal Arbitration Act (the FAA).

Definitions for Arbitration Provision. As used in this Arbitration Provision, the following terms have the following definitions. The words we, our, and us mean First Tennessee Bank National Association (which also is branded as First Horizon), its parent company, and their direct and indirect subsidiaries and affiliates, together with their employees, officers, directors, successors, and assigns. The words you, your, and yours refer to any Consumer applicant, co-applicant, authorized user of the account, or legal representative of any of the foregoing, and anyone claiming through such person or incident to the account. The word "Consumer" means a natural person who holds an account primarily for personal, family or household purposes. The word Claim means any claim, controversy, or dispute of any kind arising from or relating to the account or any relationship arising from or related to the account. The word Claim includes, but is not limited to, any claim, controversy or dispute involving one or more of the following:

- the formation, application, enforceability, or interpretation of this Arbitration Provision or other part of the Agreement;
- any advertisements, solicitations, disclosures or other communications relating to the account, whether made before or after the account was opened;
- the opening, administration and termination of the account;
- any transactions involving the account;
- any interest, fees and other charges to the account;
- any products or services (whether provided by us or a third party) related to or offered in connection with the account;
- any use or disclosure of information about you or the account;
- any other matters relating to the account or your credit card relationship with us.

All Claims Subject to Arbitration Provision. All Claims are subject to this Arbitration Provision, regardless of whether the Claim: (i) previously existed, is now existing (whether discovered or undiscovered) or arises later; (ii) is based on a theory of contract, tort (including intentional tort), negligence, agency or other vicarious liability, fraud, statute, regulation, constitution, or any other source of law or equity; (iii) seeks monetary damages, or declaratory, injunctive relief, or other remedy or relief; (iv) is asserted as an initial claim, counterclaim, crossclaim, interpleader action, third-party claim or other action; or (v) is asserted as an individual claim or as part of a class action or other representative or collective action. (Any Claim asserted as part of a class action or other representative or collective action shall proceed in arbitration on an individual basis as set forth below.) Joint Cardholders, applicants and authorized users on a single account or multiple accounts for which the same Cardholders are legally responsible will be treated as one person for this purpose. All questions about whether disputes are subject to arbitration shall be resolved by interpreting this arbitration provision in the broadest way the law will allow it to be enforced.

Initiation of Arbitration. The party electing arbitration must use the arbitration administrator shown below and follow its rules and procedures, except as otherwise stated in this Arbitration Provision. Copies of its current rules, procedures, forms, and related information, including information about how to file a Claim, may be obtained by contacting the Administrator as follows:

American Arbitration Association

Except for the small claims court exclusion set forth above, either you or we may ask an appropriate court to compel arbitration, or stay litigation pending arbitration, of any Claim, even if the Claim is part of a lawsuit in court. A party who has asserted a Claim in a lawsuit may nevertheless elect mandatory arbitration with respect to any Claims subsequently asserted in that lawsuit by any other party. Delay in exercising these rights shall not waive such rights. Failure to exercise arbitration rights with respect to a particular Claim shall not waive your right or our right to demand arbitration of any other Claim. If the Administrator declines to administer a Claim in arbitration, then either party shall have the right to proceed with the Claim as a lawsuit in court, in which case the Class Action Waiver set forth below still applies.

Class Action and Jury Waiver. You and we hereby knowingly and voluntarily (1) waive the right to proceed as part of any class action and (2) waive the right to a trial by jury of any and all Claims. No Claim submitted to arbitration is heard by a jury or may be brought as a class action or as a private attorney general. You do not have the right to act as a class representative or participate as a member of a class of claimants with respect to any Claim submitted to arbitration (Class Action Waiver). Any Claim resolved by arbitration shall be arbitrated on an individual basis by a single arbitrator. The arbitrator's authority to resolve Claims is limited to Claims between you and us alone, and the arbitrator's authority to make awards is limited to you and us alone. Furthermore, Claims brought by you against us or by us against you may not be joined or consolidated in arbitration with Claims brought by or against someone other than you, unless otherwise agreed to in writing by all parties.

Severability. The parties to this Arbitration Provision acknowledge that the Class Action Waiver is material and essential to the arbitration of any disputes between the parties and is non-severable from this Arbitration Provision. If the Class Action Waiver is limited, voided or found unenforceable, then the parties' agreement to arbitrate (except for this sentence) shall be null and void with respect to such proceeding, subject to the right to appeal the limitation or invalidation of the Class Action Waiver. The parties acknowledge and agree that under no circumstances will a class action be arbitrated. If any portion of this Arbitration Provision, other than the Class Action Waiver, cannot be enforced, that portion will be severed, and the rest of the Arbitration Provision will continue to apply.

Arbitration Procedures and Law. A single arbitrator chosen by the Administrator will resolve Claims pursuant to the rules and procedures of the Administrator and this Arbitration Provision. This Arbitration Provision will govern in the event of conflict with the Administrator's rules and procedures. Discovery procedures available to parties will be limited by the Administrator's rules and procedures. The arbitrator will apply applicable substantive law consistent with the FAA and applicable statutes of limitations and honor legally recognized claims of privilege. The arbitrator will have the power to award any damages or other relief that would be available in court and are permitted under the terms and conditions of this Agreement, but only with respect to the named parties and the Claims being arbitrated. The arbitrator and this Arbitration Provision will not be subject to

federal, state, or local rules of procedure and evidence applicable to lawsuits or to state or local laws relating to arbitration. Either party may choose to have an arbitration hearing and to be represented by counsel. An arbitration hearing may be conducted by telephone if the parties agree. Any participatory arbitration hearing that you attend in person will occur at a place designated by the Administrator at a location within the federal judicial district that includes your billing address or at some other place agreed upon by you and us. The arbitrator will use reasonable efforts to protect confidential information if requested to do so by any party. The arbitrator will make any award in writing and, upon a timely written request, provide a written statement of reasons for the award.

Costs of Arbitration. You and we will be responsible for paying the fees of the arbitrator and any administrative fees charged by the Administrator according to the rules and procedures of the Administrator. We will also pay or reimburse you for all or part of other arbitration fees, if the arbitrator determines there is good reason to do so, and we will pay any fees and costs, which we are required to pay by law or by the rules and procedures of the Administrator. In addition, in the event that you receive an arbitration award that is greater than our last written settlement offer, the arbitrator shall have the discretion to require us to pay your attorneys' fees and costs. Otherwise, each party will bear its own attorneys' fees and costs, regardless of who prevails.

Finality of Arbitration. The arbitrator's decision is final and binding on the parties, except for any right of appeal provided by the FAA. Costs will be allocated in the same way as costs are allocated in arbitration by a single arbitrator. A final and binding award is subject to judicial review only as provided by the FAA. An arbitration award will be enforceable under the FAA by any court having jurisdiction.

Survival of Arbitration Provision. This Arbitration Provision shall survive: (i) termination or changes in the Agreement and/or related agreements or programs, the account, and the relationship between you and us concerning the account and related programs; (ii) bankruptcy of any party; and (iii) any sale, assignment or other transfer of the account, or any amounts owed on the account. Any different agreement regarding arbitration of Claims must be agreed in writing.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at: BankCard Center, P.O. Box 1545, Memphis, TN 38101-1545. You may also go to www.firsttennessee.com and submit a transaction dispute. You will need to give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing (or electronically). You may call us, but if you do we are not required to investigate any potential errors; and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- 1 The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- 2 You must have used your credit card for the purchase.
- 3 You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: BankCard Center, P.O. Box 1545, Memphis, TN 38101-1545. You may also contact us by going to www.firsttennessee.com and submitting a transaction dispute. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
